4. Upcoming Presentations

Walpole Public Schools, in conjunction with the Walpole Police Department and MA District Attorney's office, will present a parent evening on digital and Internet safety at the Johnson Middle School on April 12th at 7:00 PM. We encourage parents of elementary-aged children to attend also as more and more children are utilizing digital resources outside of school.

April 26<sup>th</sup>, Dr. Naami Turk, a psychologist who consults for the Walpole Public Schools, will present a parent evening on anxiety and stress in growing children. We expect that this evening will be very informative.
